

# ROSARY PRIVATE SCHOOL – MUWEILAH, SHARJAH

## FOUNDATION STAGE 2

Weekly plan 1<sup>st</sup> week of November: 30.10.2023 to 02.11.2023

### Communication and Language

During this week the teachers will be asking the children open-ended questions about sea creatures to ignite conversations. Like; "What can you share about dolphins?" Encouraging group discussions among children about their favourite sea creatures. This will promote the expression of their thoughts while listening to peers. Furthermore, creativity through drawings linked to sea creatures, nurturing literary skills and imaginative thinking. For the enjoyment we will also include sea-themed songs and rhymes in the learning this experience.

**New Vocabulary for this week:** shark, dolphin, octopus, jellyfish, seahorse, crab starfish

**sock, hot, mop, pots, dog, up, drum, sun, mud, cup, dug**

Story: Swimmy

### Personal, Social, Emotional

In the coming week, the teachers and children will have important discussions. They will learn about why fish stick together in groups to stay safe and why it's essential to care for the ocean. They'll also find out how litter and pollution can hurt sea creatures and their homes, and this will help them understand why it's crucial to protect the environment. It's a week of valuable lessons about our world and the creatures that live in it.

**Song: Animals in the Ocean**

### Literacy

This week, the students will have a great time reading books about sea creatures in the UAE. They will learn about many kinds of fish and discover the special creature where pearls make their home. To make it even more fun, they will match pictures with the words they learn. The children can tell the story using their own words and put everything in order using the pictures. It's going to be an exciting week of exploring sea life!

**Letters for the week : 'Oo' – 'Uu'**

**Sight word – 'has'**

**Opposite – fast/slow**

### Expressive Art and Design

This week, the kids are in for loads of fun! They'll get to enjoy playdough and get creative with a sea creature template. They can use their artistic skills to create a fish tank filled with a variety of sea creatures. Plus, they'll learn to make a paper boat. And, of course, there's plenty of room for imaginative drawing, where they can bring the story to life on paper. It's a week filled with creative and imaginative adventures!

### Understanding the World

In our lesson this week, children will have some exciting objectives. They will start by **recognizing and naming both large and small sea creatures such as sharks, dolphins, octopuses, jellyfish, seahorses, crabs, and starfish.** Then, they'll dive into observing, exploring, and describing these amazing creatures, using pictures and videos to help. As a fun and creative twist, they'll also get to describe their favourite sea creature and even try to make it. It's a week of marvellous discoveries in the world of marine life!

### Mathematics

This week, we have some interesting questions for the children. Asking them to count how many fish are in the fish tank and in the picture. Also, to figure out how many different animals are there in the story. It's a week of exploring and counting!

**Number for the week: 12**

**Revision of numbers: 1-12**

**Understanding of numbers between 1-10**

**3-D shapes (cube and cylinder)**

### Physical Development

The children will have a great time playing at the plastic sea creatures, pebbles and shells. They can also explore how various sea creatures move and try to mimic their motions from a video the teacher will show them. It's all about enjoying water-themed adventures and getting creative with their play.
